# Superannuates meet

on first day of classes

Forty-nine superannuated teachers and seven guests met at 9:00 am on September 2, at the Riverside Golf Course Clubhouse to celebrate the first day of classes and that they did not have to start teaching for a new school year.

After a filling breakfast and lots of visiting, Maureen Donald, president of the Tisdale Chapter of Superannuated Teachers welcomed everyone. She passed out the diaries and STS pins to the members who had requested these.

This year the annual newsletters were e-mailed to those members who have e-mail and those who do not were given a print copy. Maureen thanked Bob Donnan for the professional work he always does on our newsletter.

She discussed some of the upcoming events planned for the year. The next event will be on Tuesday, September 16, with a trip to **Creekside Orchards** near Melfort for lunch, a tour and presentation.

She then thanked Tim Shire for the posting of our school histories book on our website. A few years ago we collected information and photos of all the schools that had operated in the Tisdale School District and published these in a book. For anyone who has taught, or gone to school in any of them, you are welcome to check the web site at [www.sknews.ca/tisdale\\_districts](http://www.sknews.ca/tisdale_districts). It is interesting reading!

Darlene McCullough, Secretary-Treasurer of the Tisdale Chapter of STS, then reported on the financial activities of the past year. She thanked Tim Shire for posting our

meetings, newsletters and other matters on our website plus putting the school histories there as well. There is now a link to our website from the provincial STS website.

Our chapter membership is now one hundred, since we had four members pass away last year. We miss Karen Scammell, Larry McCorriston, Cyril Lacey and Marion Fargey. We made a donation to the Tisdale Hospital in memory of each of them.

Since the school we were supporting in La Loma, El Salvador is now operational, our donation will go a needier area in Nicaragua to aid in getting a school established there.

President Maureen then had the pleasure of presenting Melody Hughes with a pen to mark her ten years as a member of the Tisdale Chapter.

Some of the members then took advantage of the nice weather and the golf course to enjoy a round of golf.

If there are any retired teachers in the area that might be interested in joining our group please contact Maureen Donald at 306 873-4649 or Darlene McCullough at 306 873-2030. We would be pleased to have you join us!

# TISDALE CHAPTER OF STS

## September 2, 2014

### President's Message

Welcome fellow STS members. Isn't it amazing how fast the summer goes by? In spite of some early rains the summer was mostly sunny and warm and wonderful! Here we are beginning a new year of STS activities!

Welcome to all new members! We encourage newly retired teachers to join the STS. It gives much greater clout to any requests we make when we can make them on behalf of 10,300+ retired teachers!

Because so many holidays land on Monday we are changing our monthly meeting date to every third TUESDAY this fall and we hope to see many new faces gather with us! Our meetings are informative and usually quite short and then we enjoy visiting over a lunch. Each fall and spring we go for an adventure of one kind or another, but always including food!

Have you checked out the new local STS website created and hosted by Tim Shire? The website is [www.sknews.ca/tisdale\\_districts](http://www.sknews.ca/tisdale_districts) It includes our Tisdale School Division School Districts History Book and reports and photos of our meetings. We plan to attempt a new project this year to follow the Schools History Book. This is to be a collection of individual teacher's histories which may some day be published or may be kept in our archives. A format will be available on request. We hope you will want to participate.

I wish to thank our past president, Deanna Gruending and sincerely wish her well as she cares for her family out west, to our faithful secretary-treasurer, Darlene McCullough, for her continued support and direction, to Tim Shire for all the work to put our School Districts History Book online and give us a presence on the web, to Bob Donnan for the very professional job he does on this newsletter, and to all the members who give of their time and energy to serve on committees and attend meetings.

*Best wishes, Maureen Donald*

## Highlights of Last Year

**To Hell With the Bell** - We met at the Riverside Golf Course for our breakfast gathering and distribution of the yearly chapter newsletters and STS diaries. Special welcome to new members Darlene Leroux, Jack Fulton, and Wilma McKie.

**September Outing** - Members and friends enjoyed a homemade German meal at Oma's Kitchen, south of Star City. The country setting and the tour of their log home greatly added to our enjoyment.

**October** - Provincial STS President, Robert Wuschenny of Regina, was guest speaker at a pizza lunch meeting held in the Anglican Church Hall.

**November** - Darlene reported on the presidents' meeting held in Saskatoon. Entries for the Legion Remembrance Day contests have been judged. Plans were made for the Christmas Social.

**December** - Melfort and District Chapter joined us for the Christmas Social to enjoy a catered turkey dinner

and an afternoon of fun, band music, carol singing and fellowship.

**January** - Bob Donnan took us on a tour of London, Bath, Edinburgh and Dublin as he shared the outstanding photos he took on this tour,

**February** - A resolution regarding chapter visits by the provincial president was submitted to the provincial STS. We viewed the 40<sup>th</sup> Anniversary of the STS CD as well as the one of the Past Presidents and Honorary Life Members. We supplied the lunch for the new Market Birthday Tea.

**March** - AGM delegates selected were Deanna Gruending, Maureen Donald and Darlene McCullough. Provincial Liaison, Kate McCorriston, submitted a written report. Darlene McCullough shared her photos of her travel in three ports along the west coast of Mexico and of San Diego.

**April** - Discussion centered on the proposed provincial budget and the resolutions to be voted on at the AGM. Donations were made to Aid to Central America and to the TMSS Scholarship Fund.

**May** - AGM delegates reported on the AGM. Election of chapter officers was held and volunteers were welcomed as committee heads.

In May we also hosted the Birthday Tea at Sasko Park.

**June Outing** - Our first stop was at Cooney's on First for lunch in Nipawin. From there we drove to the Living Forestry Museum which includes a church, two homes, a trapper's cabin, blacksmith shop, shingle mill, planning mill, a train station, with CPR rail cars, clay ovens, two multi-grade schools, as well as the main museum containing many displays and artifacts.

- Is it time to increase our memorial donations?

## **Charitable Donation - 2014**

For the past few years our donation has gone toward the building and operation costs for a school in La Loma, El Salvador. Since that school is now operational, and the need is greater elsewhere, we have been asked to switch our donation to the poor areas of Nicaragua, or Nica as it becomes known to all who visit and help there. The work is coordinated through the Casa Canadiense, the Canadian Casa and the Nica Casa. Miriam Spenrath, our contact, has stayed at the Casa Nica a number of times and knows very well the conditions in that area. People are living on the dump for survival. Education and health seem to be at the bottom of the line so our money would be put to good use to provide education for students who do not have the opportunity for that now. Miriam has also requested a couple of photos of this area and of the school that our donations will be aiding. She is hoping to return to Central America one more time to check out their partners and projects there. If this happens, she will certainly bring back photos for us.

### Some thoughts from the editor:

Our teacher colleagues seem to be going through some difficult times just now:

- they are going back to work this fall without a negotiated new collective agreement.
- there seem to be concerns about the Saskatchewan Teachers' Retirement Plan (STRP)
- the move in August by the STF executive to strip elected STF president Colin Keess of his responsibilities
- the pending action by the provincial government to change the disciplinary process for STF members

With these concerns hanging over their heads, Saskatchewan teachers have some distractions that will make a challenging job even more difficult. So let us look for opportunities to express our support. For more information on these and other issues that impact teacher's professional lives see the STF web site at [www.stf.sk.ca](http://www.stf.sk.ca)
